supplies needed:

- kiddie pool or something large enough for kids to stand in
- toy hoop or similar large round item
- bubble solution

what to do:

1. Pour bubble solution in the kiddie pool. You can use store bought solution or find an easy recipe for bubble solution online.
2. Place the hoop in the kiddie pool and have your little one stand in the middle of the hoop.
3. Pull the hoop around your little one and create a super-cool bubble tunnel. Bubbly fun for everyone!
